

Kendo Wall

Ceramic Design

Wall: DLKNW 04 List Natural

3 Colours / 2 Patterns / 1 Finish / 1 Size

Kendo Wall is a Jura stone-inspired series with two ductile relief surfaces. Both have striations in parallel lines: List is the more detailed line relief, which presents a softened tactile effect. The more intense relief, Loop, keeps the volumes uniform, which helps to maintain a visual balance.

Wall: DLKNW 02 List Natural
