

Rilievi

Lightweight Slabs / Porcelain Design

Wall: DCDRI 01 Matt
Wall Feature: DCDRC 06 Pattern 3 Décor

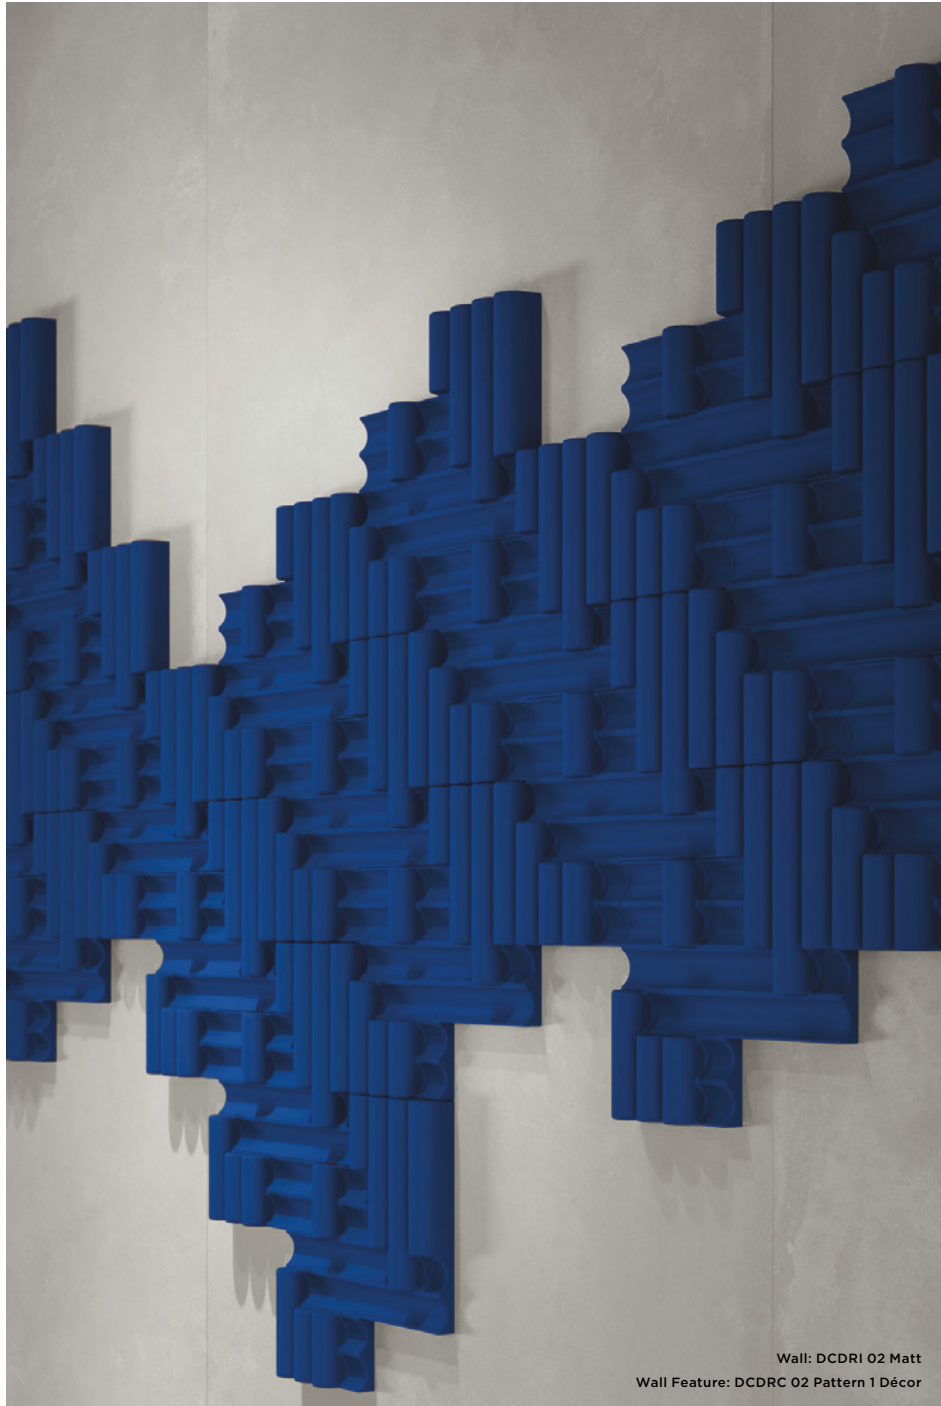

6 Colours / 1 Finish / 3 Sizes / 3 Décors

Rilievi is the combination of two basic elements: a large slab and a three-dimensional Pattern Décor placed on top of it. These two elements can be combined in different ways depending on their numerical multiplication, the layout of the slabs and the shapes built up by placing the relief tiles one after the other.
